Mexican Company Now Holds the Key to the Future of the Entire Comstock Concerns

SAN FRANCISCO, April 3.—A special meeting of the United Comstock Pumping association in this city, at which time the entire population was canvassed as far as the association end of the present controversy is concerned, and it can be judged from the action taken by the organization that the situation has now reached a most critical state. The association passed resolutions which were presented at the office of the Mexican Mining company today, in which it is stated that unless the Mexican directors see fit to rescind the resolutions passed last week, and served upon the pumping association relative to withdrawal on or before the 20th of April coming, the association will be compelled to direct the removal of as much machinery and pumps from the lower levels as within their means. It was also stated that all pumping will be stopped, and the water allowed to rise in the northern mines.

The above action clearly indicates that a grave crisis has now been reached in Comstock affairs, and that the only hope of the present situation is that the Mexican company will reconsider its action or

DRUGGIST RECOMMENDS

Vinol for Run-Down People

If any one person should know the value of medicine it is the druggist who dispenses them and from our experience we want to say if people in this vicinity only knew the value of Vinol, our delicious cod liver and iron tonic (without oil) at this season of the year, we would not be able to supply the demand.

This is because Vinol is a combination of the two most world famed tonics, namely, the medicinal curative elements of cod's livers without the oil, and iron for the blood.

Vinol tones up the digestive organs, purifies and enriches the blood, promotes healthful sleep and a normal appetite.

Old people, delicate children, run-down, overworked and tired women, should try a bottle of Vinol with the understanding that your money will be returned if it does not help you. —Miners' Drug Store, Inc., Tonopah, Nev.

Look Years Younger! Gray Hair Darkened Beautifully by Sage

SAYS SAGE AND SULPHUR WILL STOP FALLING HAIR AND CURE DANDRUFF

Common garden sage brewed into a heavy tea with sulphur and alcohol added, then left to age and carefully filtered will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair.

Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggy and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot of

muss. Some druggists make their own, but it isn't nearly so nice as "Wyeth's."

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur no one can tell, because it does it so naturally; so evenly. You just dampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. Do this tonight and by morning all gray hairs have disappeared, after another application or two it will be restored to its natural color and be even more glossy, soft and luxuriant than ever. Local druggists say they are selling lots of "Wyeth's Sage and Sulphur" and it surely helps folks appear years younger. Kady.

BUTLER THEATER.

At the Butler theater tonight will be shown four reels of interesting pictures as follows: "The Chameleon," C. G. P. C. educational; "The Lost Note," a Lubin drama; "How They Outwitted Father"—disguised as his sweetheart's father, George dismisses the suit of an elderly and highly favored rival but being caught by papa, he forces the disguise on the rival and has him arrested. "The Skull," Vitagraph, a clearly told and perfectly produced burglar story that didn't lose its grip on the audience from the beginning. The acting that such a story demands plays one very important part. Like the acting, the photography, the sets and scenes, everything that goes to make the offering natural and convincing, are of good quality.

"Tomorrow, Pathe Weekly, with 'Mutt and Jeff.' This is something out of the ordinary and is one of the most interesting scenes in the Pathe Weekly.
